

PALMETTO POINTE TOWNES TOWNHOMES, OA

WATER SHUT OFF INFORMATION

If you own a unit within the townhome section of Palmetto Pointe Townes and you need the water turned off due to a repair within your home, you must contact IMC Resort Services Inc. Management will be coordinating the water shut off with BJSWA as well as notifying the rest of the building when the water will be off so repairs can be conducted.

Each building contains one shut off, there are **NOT** individual shut offs for each home. The entire buildings water needs to be turned off if a repair is needed.
