

NIGHT HERON PAVILLION OWNERS ASSOCIATION

PAINT SCHEMES for Night Heron Phase 1 and phase 2

Outside of the home is (Dune Gray)
Water-based semi-gloss

Outside of the front door is (Bicentennial)
Oil-based high-gloss or semi-gloss

The above samples are matched from Hilton head Glidden Paint.

You or your contractor must apply for a paint permit at CSA before the job is started.

Matching to the color cards will ensure you only have to paint your villas once and not be in violation of the covenants.

On February 15, 2010 your board performed a walk-through inspection of phases 1 & 2 and found a variety of door colors that were not correct. In October of 2007, the board sent an information sheet quite similar to this one to all of our owners. With the passage of time and the fact that we have new owners a reissue of color information hopefully will make compliance with our color schemes, easier to achieve.

Robert Sturdevant

President, Board of Directors
