- h. No owner, tenant or occupant shall:
- (1) Post any advertisements, posters or signs of any kind in or on the Property except as authorized by the Council.
 - (2) Hang garmets, towels, rugs or similar objects from the windows, terraces or from any of the facades of the Property; or on any general or limited common element or elements of the Property;

- J. All sums assessed by the Council but unpaid for the share of the common expenses chargeable to any unit shall constitute a lien on such unit prior to all other liens except only (1) tax liens on the unit in favor of any assessing unit and special district, and (2) all sums unpaid on the first mortgage of record. Such lien may be foreclosed by suit by the manager or the Board of

Administration, acting on behalf of the owners of the units, in like manner as a mortgage of real property. In any such foreclosure the unit owner shall be required to pay a reasonable rental for the unit, as provided in the By-Laws, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The manager or Board of Administration, acting on behalf of the owners of the units, shall have power, unless prohibited herein, to bid in the unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same.

- K. Where the mortgagee of a first mortgage of record or other purchaser of a unit obtains title to the unit as a result of foreclosure of the first mortgage, such acquirer of title, his successors and assigns, shall not be liable for the share of the common expenses or assessments by the Council chargeable to such unit which became due prior to the acquisition of title to such unit by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the units including such acquirer, his successors and assigns.
- L. The owners of the respective units shall have the absolute right to lease same provided that said lease is made subject to the covenants and restrictions contained in this Declaration and further subject to the By-Laws and any Regulatory Agreement attached hereto.

- N. In a voluntary conveyance of a unit the grantee of the unit shall be jointly and severally liable with the grantor for all unpaid assessments by the Council and Association against the Grantor for his share of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. However, any such grantee shall be entitled to a statement from the manager or Board of Directors of the Council or Association, as the case may be, setting forth the amount of the unpaid assessments against the grantor due the Council or Association and such grantee shall not be liable for nor shall the unit conveyed be subject to a lien for, any unpaid assessments made by the Council or Association against the grantor.

- O. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established in the Horizontal Property Act of the State of South Carolina, this Declaration or in the By Laws, shall be deemed to be binding on all owners of units, their successors and assigns.
- P. The Board of Administration of the Council, or the Management Agent, or Manager shall obtain and continue in effect blanket property insurance in form and amounts satisfactory to mortgagees holding first mortgages covering units but without prejudice to the right of the owner of a unit to obtain individual unit and/or apartment insurance.
- Q. Insurance premiums for any blanket insurance coverage shall be a common expense to be paid by periodic assessments levied by the Council; and that such payments shall be held in a separate escrow account of the Council and used solely for the payment of the blanket property insurance premiums as such premiums become due.
- R. So long as said Grantor, its successors and assigns, owns one or more of the units established and described herein, said Grantor, its successors and assigns shall be subject to the provisions of this Declaration and the Exhibits attached hereto; and said Grantor covenants to take no action which would adversely affect the rights of the Council with respect to assurances against latent defects in the property or other right assigned to the Council, the members of such association and their successors in interest, as their interests may appear, by reason of the establishment of the condominium.
- S. Certain general common elements owned by the Regime (including, but not limited to recreational facilities, water meters, master antennae, etc.) may be leased by the Regime to the Seascope Owner's Association, to which all owners or lessees of the property referenced in Paragraph A(3) hereof, and subsequent Seascope regime automatically belong, it being anticipated that similar leases shall be applicable to similar facilities owned by subsequent Seascope Regimes, thereby permitting utilization of new facilities by Regime owners. Any such leases shall provide that all costs of operation and maintenance of the leased facilities shall be borne by the Association.
- T. The grantor reserves the right to grant assignable easements and licenses for access, ingress and egress through, into and over the Property, said easements and licenses to be, however, granted in common with the right of access, ingress and egress granted others through, into and over the Property.

of the Regime. The transfer of ownership of an individual Apartment within the Regime carries with it the proportionate equity of that Apartment ownership in the Regime Reserve Accounts.

Section 2. Effect of Non-Payment of Assessment; the Personal Obligation of the Owner; the Lien; Remedies of Association. If the assessments are not paid on the date when due, then such assessment shall become delinquent and shall, together with interest thereon at the rate of eight percent (8%) per annum from the due date, and the cost of collection thereof as hereinafter provided, thereupon become a charge and continuing lien on the land and all improvements thereon, including the Apartment of the owner against which each such assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the Owner at the time of the assessment to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass as a personal obligation to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the due date, the Regime may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 3. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereinafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, not from the lien of any such subsequent assessment.

Section 4. Maintenance and Repair.

a. Every co-owner must perform promptly all maintenance and repair work within his own Apartment, which if omitted would affect the Property in its entirety or in a part belonging to other co-owners, being expressly responsible for the damages and liabilities that his failure to do so may engender.

b. All the repairs of internal installation of the Apartment such as water, light, gas, power, sewage, tele-phones, air conditioners, sanitary installations, doors, windows, lamps and all other accessories belonging to the Apartment shall be at the expense of the co-owner.

A co-owner shall not make structural modifications or alterations in his Apartment or installations located therein without previously notifying the Regime in writing and submitting therewith a plan of the proposed modification to the management agent, if any, or through the President if no management agent is employed. The Regime shall have the obligation to answer within thirty (30) days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration.

Section 6. Use of General Common Elements. A co-owner shall not place or cause to be placed in the passages, roads or other general common element areas, any furniture, packages or obstructions of any kind. Such areas shall be used for no other purpose than for normal transit through them.

Section 7. Right to Entry.

a. A co-owner shall grant the right of entry to the management agent, the company or to any other person authorized by the Board in case of any emergency originating or threatening his Apartment, whether the co-owner is present at the time or not.

b. A co-owner shall permit the management agent, the company, other co-owners or their representatives, when so required, to enter his Apartment for the purpose of performing installations, alterations or repairs to the mechanical or electrical services, provided that such requests for entry are made in advance and that such entry is at a time convenient to the co-owner. In case of an emergency, such right shall be immediate.

Section 8. Rules of Conduct.

a. Residents shall exercise extreme care to avoid unnecessary noise or the use of musical instruments, radios, television and amplifiers that may disturb other residents.

99
