

Jarvis Creek Club Firearm Rule and Regulation

(a) Except as may otherwise be permitted herein, the display, use, carrying or discharge of any firearm or fireworks within Jarvis Creek Club shall be prohibited, and any person firing any firearm or firework on, in, through, above, at or across the Common Properties of Jarvis Creek Club may, in addition to any other rights or **remedies reserved to the Association, be subject to all Federal, State, County and municipal laws .**

(i) The term “firearm” includes but is not limited to any object defined as a firearm under South Carolina and/or federal law, and any “BB guns,” air guns, pellet guns, paintball guns, air-soft guns and any other nonpowder firearms that are capable of expelling a metallic or plastic projective through the force of air pressure, CO2 pressure, pump or spring action.

(b) Notwithstanding the foregoing, an Owner may transport a firearm across the Common Properties of Jarvis Creek Club to or from the Owner’s Lot, provided the firearm is reasonably secured at all times.

(c) Nothing herein shall be considered to interfere with or abridge the rights of any person from exercising his/her right of self-defense on his/her private property.
