

# COURTSIDE VILLAS, HPR

---

**TO:** All Courtside Villas, HPR Owners  
**FROM:** Your Courtside Villas, HPR Board of Directors  
**RE:** Courtside HVAC Service

Dear New Owner,

HVAC maintenance, repair, and replacement is each owner's responsibility, however, in an effort to improve system efficiency, extend equipment life and prevent condensate line leaks, Courtside Villas HPR has contracted with Summit Services to perform HVAC inspections 4x per year. These preventative inspections can help you identify potential maintenance items with your system, and may help save costs related to power usage, component replacement, and water damage. **Please ensure that you have a functioning "float switch" in the pan under your air handler. The purpose of a float switch is to shut down the HVAC system if water ever does get backed up in to the pan under the air handler, therefore preventing further condensation production and avoiding water damages.**

## **Inspections include:**

- Compressor
- Thermostat
- Refrigerant Charges
- Safety/Reversing Valves
- Fans and Motors
- Heating Assembly
- Evaporator Coil
- Electrical Components
- Condensate Drain Line Cleaning
- Filters (Clean or Replace 1 per Villa at no additional charge)

## **2024 quarterly services are scheduled for:**

- **March 25<sup>th</sup> – 29<sup>th</sup>**
- **June 3<sup>rd</sup> – 7<sup>th</sup>**
- **September 16<sup>th</sup> – 20<sup>th</sup>**
- **December 9<sup>th</sup> – 13<sup>th</sup>**

Clear access to equipment is necessary, and is the villa owner's responsibility. ***Summit Services, Courtside Villas, HPR and IMC Resort Services, Inc. are not responsible for any damages associated with this work including, but not limited to overflow, or water, mildew, fire, flood, and freezing of pipes.***

**UPON PURCHASE OF A VILLA PLEASE CONTACT YOUR ASSOCIATION MANAGER, ADAM HARTZOG, [Adam@IMCHHI.COM](mailto:Adam@IMCHHI.COM), TO ADVISE WHETHER OR NOT YOU WOULD LIKE TO RECIEVE THIS SERVICE.**
