NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that Greenwood Development Corporation, a South Carolina corporation, having its principal offices in Greenwood, South Carolina, and Hilton Head Island, South Carolina does hereby declare:

1. **Exercise by Declarant:** Greenwood Development Corporation, as Declarant does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the Master Deed of Wendover Dunes Horizontal Property Regime recorded in the Office of the Register of Deeds for Beaufort County, South Carolina, in Official Record Book 1463 at Page 1891, et seq. (hereinafter referred to as "Master Deed"), to amend the Master Deed to include a portion of the Future Phase Property known as Phase VI and more particularly described and set forth in Exhibit "A" hereto as a part of Wendover Dunes Horizontal Property Regime (hereinafter "Regime") in such a way that effective upon the filing of this Amendment, the property included in the Regime shall be as described in Exhibit "B" hereto which description includes the property formerly designated as Phases I, II, III, IV, V and now Phase VI (hereinafter sometimes referred to as "Phase VI" or "this current Phase").
2. **Land:** Declarant is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat also being described on Exhibit "A" and being recorded in the Register of Deeds for Beaufort County, South Carolina, in Plat Book 85 at Page 84.
3. **Submission to Act:** Declarant does hereby, by duly executing this Amendment to Master Deed, submit the land referred to in Paragraph 2, together with the building and improvements erected thereon, and all easements, rights and appurtenances belonging thereto (the "Property") to the provisions of the Master Deed and the provisions of the Horizontal Property Act of the State of South Carolina (the "Act"), and does hereby state that it proposes to make the property a part of the Regime to be governed by the provisions of the aforementioned Master Deed and the provisions of the Act.
4. **Survey/Plans:** The improvements constructed on and forming a part of the Property are constructed in accordance with the floor plans identified as Exhibit "B" attached to the Master Deed said plans being incorporated by reference herein, said improvements being located as shown on the as-built survey referenced in Exhibit "A" hereto, said survey prepared by Hussey, Gay, Bell & DeYoung, Consulting Engineers (the "Plat"). Attached to this Amendment as Exhibit "C" is a certificate executed by NCG Architects Incorporated that the building constructed on the Property and specifically added to the Regime by this Amendment was constructed substantially in accordance with said floor plans.
5. **Improvements:** The Property comprising Phase VI which is being added to and combined with Wendover Dunes Horizontal Property Regime includes one (1) Building (Building J) with two (2) residential stories over a parking level, said Building containing four (4) individual Units, all of which are to be used for residential purposes only. The Units are capable of individual utilization on account of having their own exits to the Common Elements of the Property and a particular and exclusive property right thereto, and also an undivided interest in the General and Limited Common Elements of the Property for their adequate use and enjoyment all of the above in accordance with the Act.

5.1 The four (4) Units contained in Phase VI, Building J are located and numbered as follows:

**BUILDING J**

<u>UNIT NO</u>	<u>TYPE / FLOOR</u>
8133	B (First Floor)
8134	B (Second Floor)
8135	A (First Floor)
8136	A (Second Floor)

6. **Type of Unit:** Reference is made to the Master Deed, the contents and provisions of which are incorporated herein in the same manner as if the same were expressly set forth in this Amendment, for a description of the types of Units in this current Phase, to wit: the Type A and Type B current Phase Unit types are more particularly shown on the plans thereof attached as Exhibit "B" to the Master Deed. Said plans, the Unit numbers and square footage of area in each Unit, the description of the Unit boundaries referenced in the original Master Deed, and the walk through descriptions referenced in Paragraph 5.3 of the Master Deed are all incorporated herein by reference.

7. **Acreage:**

(a) The Property comprising Phase VI and being hereby added to the Property of the Regime has a total of approximately 0.465 acres (20,255.4 square feet), of which approximately 4,530.24 square feet will constitute and be occupied by Units and a total of approximately 15,725.16 square feet will constitute the remainder of the common elements.

(b) The total Property of the Regime, subsequent to the filing of this Amendment and including the Phase VI Property, has a total of 5.977 acres (5.512 plus 0.465 acres). Outside the footprint of the Building, the areas are made up of parking, landscaping, sidewalks, and other common elements.

8. **Common and Limited Common Elements:** The Common Elements of the Regime, now including all previous Phases and this current Phase Property, shall be as set forth in the Master Deed, the provisions of which are incorporated herein and made a part hereof in the same manner as if the same were expressly set forth herein except as herein modified or amended.

The Limited Common Elements of the Regime, now including all previous Phases and this current Phase Property, shall be as set forth in the Master Deed and on the Plat and floor plans attached as Exhibits "B" and "C-1" to the Master Deed and as described and/or attached herein.

9. **Maintenance and Repair:** Reference is made to Section 5.6 of the Master Deed as it relates to specific terms and conditions of maintenance and repair. In the event any of the Units being added under this Amendment have custom changes accomplished, either prior to this filing, or after filing pursuant to Declarant's reserved rights, any of the modifications to the actual structure of the specific Unit shall be deemed a Limited Common Element exclusive for the use of the specific Unit and subject to reimbursement to the Regime for any amounts expended to repair, maintain or replace such Limited Common Elements consistent with the provisions of Section 5.6 of the Master Deed.

10. **Administration and Bylaws:** Reference is made to Section 12 of the Master Deed, and the Bylaws attached as Exhibit "D" to said Master Deed, relating to the administration and operation of the Regime and membership in Wendover Dunes Owners' Association, Inc., the incorporated Council of Co-Owners ("Association").

11. **Declarant Continuing Reserved Rights:** Specific reference is made to Section 9 of the Master Deed concerning certain Declarant rights which have been reserved and which continue to be reserved, all as more particularly described in said Master Deed. The reserved rights include the right to be exercised in the Declarant's sole discretion, to submit the Future Phase Property to the Regime.

12. **Percentage Interest:** The statutory percentage of title and interest appurtenant to the Units and the Unit Owners' title and interest in the Common Elements (both General and Limited) of the Regime (all previous Phases and this current Phase) and the Units' share of common monthly expenses, as well as proportionate representation for voting purposes in the meeting of the Association of the Regime, is based upon the proportionate value of the Units to the value of the total Regime (all Phases) as set forth in Section 11 of the Master Deed establishing said Regime, the provisions of which are incorporated herein and made a part hereof. Said percentages are likewise set forth in Exhibit "D" to this Amendment attached hereto and made a part hereof.

13. **General Plan of Development:** Reference is made to Section 8 in the Master Deed wherein the general plan of development of Declarant is summarized. As this Amendment to the Master Deed has the impact of adding four (4) Units contained within one (1) Building, the Units shall be considered Phase VI. It is likely that in the future, separate Amendments will be filed to add additional Units to the Master Deed from the Future Phase Property. Declarant continues to reserve the right to bring in certain phases or sub-phases thereof.

14. **Limited Warranties:** The following language is taken from the Purchase Agreement form by and between Declarant and all initial purchasers for Units within the Regime. The purpose of reproducing said Section relating to warranties in this Amendment is to provide actual notice to successors-in-title to original purchasers:

"If written notice is given to Seller by Purchaser within thirty (30) days of discovery of any defects not caused by Purchaser, his agents, guests, or invitees, then Seller will, at no cost to the Purchaser for a period of one (1) year from the date of closing, repair, replace, the defective portion of the Property. This warranty shall not apply to fixtures and appliances covered by a warranty of a

manufacturer or dealer, for which defects the Purchaser shall have such rights as are defined in the applicable warranty documents. At closing, Seller shall transfer to Purchaser all of Seller's right, title and interest in and to any manufacturer's warranty furnished to Seller covering any equipment or appliance installed in the Unit, and Seller makes no warranty or agreement of any kind with respect to any such equipment or appliance. Seller shall not be responsible for any incidental or consequential damages arising from any defect. This warranty is personal to Purchaser, and shall automatically terminate and be of no further force or effect upon Purchaser's sale, transfer or conveyance of the Property. SELLER MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE FITNESS, DESIGN OR CONDITION OF ITEMS OF TANGIBLE PERSONAL PROPERTY OR FIXTURES, THEIR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE."

15. **Miscellaneous:** The purpose of this Amendment being to add the Phase VI Property to the Regime so as to make it an integral part of said Regime, all provisions of the Master Deed establishing the Regime as recorded in the Office of the Register of Deeds for Beaufort County, South Carolina, which are not modified herein are expressly incorporated into and reaffirmed by this Amendment in the same manner as if the same were expressly set forth herein. This Amendment is intended to comply with the provisions of the aforementioned Master Deed and the Act. In case any of the provisions stated above conflict with the provisions of said statute, the provisions of said statute shall control. The provisions hereof shall be deemed independent and severable, and the invalidity in whole or in part of any section, sub-section, sentence, clause, phrase or word, or other provision of this Amendment shall not affect the validity or enforceability of the remaining portions thereof and in such event, all of the other provisions of the Amendment shall continue in full force and effect as if such invalid provision had never been included therein.

16. **Joinder.** Attached hereto and incorporated herein as Exhibit "E" is a Joinder of the existing Mortgagee.

IN WITNESS WHEREOF, Declarant has executed this Amendment to Master Deed, this 4th day of March, in the year of Our Lord Two Thousand and Two.

**PERCENTAGE OF UNDIVIDED INTEREST IN THE COMMON ELEMENTS**  
**AND VALUE FOR SOUTH CAROLINA STATUTORY PURPOSES**

Reference is made to Section 11 to the Master Deed of Wendover Dunes Community Horizontal Property Regime. It is noted that the percentage interests, for purposes of the South Carolina Horizontal Property Act, appurtenant to each Residence of the Regime shall be established in accordance with the following formula

$$\frac{V}{A} = P$$

"P" = Percentage Interest of each Unit.

"V" = Valuation of the respective Units as set forth herein.

"A" = Aggregate Valuation of all Units existing in the Regime and added to the Regime as provided by the Master Deed.

**A. UNIT TYPES/STATUTORY VALUES:** The two (2) basic types of Units have the following statutory value for purposes of the Act:

(Type A - 2 Bedroom) = \$ 10,000                      (Type B - 3 Bedroom) = \$ 12,500

**B. OVERALL SUMMARY - COMPOSITE CHART:** Subsequent to the filing of this Amendment the total number of Units by Type and Percentage Interest is as follows:

<u>Unit Type</u>	<u>Individual % Interest</u>	<u>Total # of Units</u>	<u>Total Percentage</u>
1. A	2.47%	18	44%
2. B	3.09%	18	56%

**C. FUTURE PHASES:** In the event Declarant elects to expand the Regime as provided for herein, all Units added to the Regime shall have the same statutory valuations as set forth above; provided, however,

*Exhibit 'D' - Fifth Amendment to Master Deed  
Wendover Dunes Horizontal Property Regime - Phase VI*

that Declarant does reserve the right to modify floor plans for Future Phase Units and, in such event, the statutory valuations may vary.

The following chart demonstrates the adjustment in the percentage interest assuming that Phase VII is added to the Regime, comprising four (4) Units and assuming the same average statutory valuation of Units as Phases I-VI. However, the exact adjustment of percentage interest is not subject to calculation until the exact number and size of Units to be added to the Regime is established. There may be a fewer number of Units. In the event that addition of Units to the Regime results in a calculation of percentage interest in accordance with the above formula which does not total One Hundred (100%) Percent, the amount necessary to bring such total to One Hundred (100%) Percent shall be allocated by the Board of Directors or its designated Management Agent.

**ASSIGNED PERCENTAGE INTEREST ASSUMING FUTURE PHASE PROPERTY IS ADDED TO THE REGIME**

<u>CUMULATIVE TOTAL - # OF UNITS</u>	<u>STATUTORY % INTEREST - TYPE A</u>	<u>STATUTORY % INTEREST - TYPE B</u>	<u>TOTAL STATUTORY VALUE OF PROPERTY</u>
Phase I - 8 Units	11%	14%	\$90,000
Phase II - 8 Units	5.55%	6.94%	\$180,000
Phase III - 8 Units	3.70%	4.63%	\$270,000
Phase IV - 4 Units	3.17%	3.97%	\$315,000
Phase V - 4 Units	2.77%	3.47%	\$360,000
<b>Phase VI - 4 Units</b>	<b>2.47%</b>	<b>3.09%</b>	<b>\$405,000</b>
Phase VII - 4 units	2.22%	2.77%	\$450,000
<b>TOTAL - 40 Units</b>			

**D. TOTAL VALUE.** The total statutory value of the Property in Phase VI is \$405,000. The total statutory value for the Property in previous Phase(s) and this Phase is \$1,800,000.

**NOTE: THESE VALUATIONS ARE FOR PURPOSES OF THE SOUTH CAROLINA HORIZONTAL PROPERTY ACT.**

The proportionate representation for voting purpose and the percentage of the undivided interest in the Common Elements (both General and Limited) provided in this paragraph shall not be altered without the acquiescence of the Co-owner representing all of the Units expressed in an amendment to this Master Deed duly recorded as required by Section 10 of the Master Deed or except as provided in Sections 5.10 with regard to the amendment of the Master Deed to allow reallocation of boundaries between Units.
