

Smart Decal Application

Outside Windshield Placement

Each Smart Decal has a unique ID number and QR code, and will be registered to your vehicle, unit, and space number (if applicable). Please apply your decal(s) on your vehicle(s) right away. Once activated, decals are NOT transferable. Failure to display an active decal on your vehicle may result in citation, boot, or tow at vehicle owner's expense.

Where to Apply:

Outside of lower windshield, drivers side

How to Apply:

1. Clean and dry the surface before applying your decal
2. Apply your decal to glass surface only
3. Apply in temperatures between 32° and 90° F
4. Carefully peel the decal from the paper lining by starting at the corner
5. Be careful not to touch the adhesive
6. Starting in the center, apply even pressure across entire decal to ensure full bonding
