

## GARDEN DEBRIS

Garden debris will be picked up bi-weekly on Mondays. Please place debris in designated areas along Devil's Elbow Lane on Sunday afternoon for Monday removal by Moss Creek's maintenance department. We are on the Marshwinds debris pickup schedule, (Zone 2), per the Moss Creek Owners Association website and the schedule. **Note: If you do any extra trimming around your cottage you are responsible for moving the cuttings for pick up. Please do not place debris roadside any sooner than Sunday afternoon but no later than 7am on the Monday of your scheduled pick-up week. Depending on volume, it may take staff up to Wednesday to pick up your debris.**

### **Debris must be placed in the designated areas only:**

SMC #101-110 and #111-116: Place debris in open area behind #111-112 close to Devil's Elbow Lane.

SMC #117-123 and #124-129: Place debris at entrance to #117-123 on open area closest to #137.

SMC #130-136 and #137-142: Place debris just past mailboxes 137-142.

**Remember this only applies to shrub cuttings, garden debris, Christmas trees or potted plants. No containers or planters will be picked-up.**
