NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that COLLEGE INVESTMENTS OF S.C., INC., with its principal offices on Hilton Head Island, South Carolina, hereinafter referred to as "Sponsor", does hereby declare:

1. RECITALS: The hereinabove recitals are hereby incorporated by reference in this Amendment.

2. GENERAL NARRATIVE:

(a) Reference is made to the general narrative description contained in Section 2 of the Second Amendment to Master Deed dated December 27, 1985, and recorded January 6, 1986, in Deed Book 438 at Page 1616, which Second Amendment is incorporated by reference herein. Since the filing of the Second Amendment, additional planning and permitting has taken place by the Sponsor herein, and its predecessors, with respect to site design, land planning and building design for future phases of the Treetops Horizontal Regime. This Tenth Amendment has for its purpose to add the first sub-phase of the Phase IV property known as the Phase IVa property as described in the Ninth Article of the Master Deed. This phase includes twelve (12) Apartments constructed in two (2) Buildings of a similar construction type as certain of the previous Phases. Sponsor expressly ratifies the reservation rights for modification to the floor plans, site layout and design for future

phases and sub-phases in Phase IV. It is likely that the total number of Apartments to be constructed in these future phases will be different than the number referenced in the aforementioned Second Amendment, but in no event will the total number be larger. The phasing schedule which was referenced in the Second Amendment as a proposed construction phasing schedule, will likewise be modified based upon current plans of the Sponsor herein. The intent, however, is that there will still be a sub-phasing schedule for the remaining Apartments to be developed in Phases III and IV. More specific detail as to sub-phases within those Phases III and IV will be provided in subsequent Amendments.

(b) Notwithstanding the above, it may be possible to combine certain sub-stages of an overall phase. In other words, the timing of construction of the respective sub-stages (i.e. sub-phases) might be close enough that where two or more sub-stages would be combined into a single amendment. Such was the situation in the Fourth Amendment where sub-phases IIa, IIb and IIc were combined and designated "Phase IIabc." As this current sub-phase only involves two (2) buildings and twelve (12) Apartments, it is designated herein as "Phase IVa." For purposes of the Horizontal Property Act and future descriptions of Apartments within Treetops Horizontal Property Regime, the designation of the sub-phase will not be utilized. Therefore, a typical Apartment would be known, by way of legal description, as "Apartment No. __, Treetops Horizontal Property Regime, Phase IV". These Apartments will be numbered numerically and there will be no duplication of Apartment Numbers within all of the phases.

(c) In addition to the modification of the site layout and total number of Apartments as described in the Second, Third, Fourth, Sixth and Seventh Amendments referenced above, Sponsor has modified the floor plans for this Phase IVa. The floor plans are identical to those filed with Phase IIIb, i.e., the Seventh Amendment. The architect for the Phase IVa and subsequent phase Apartments is Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. The full set of floor plans and walk through descriptions of the apartment types attached to the Sixth and Seventh Amendments to Master Deed are incorporated herein by reference. Further modifications will be noted in future Amendments.

3. CREATION PHASE IVa. Sponsor does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the recorded Master Deed of the Treetops Horizontal Property Regime, to amend said Master Deed to include the Phase IVa property more particularly described and set forth in Exhibit "A" hereto, as a part of the Treetops Horizontal Property Regime in such a way that the said Treetops Horizontal Property Regime shall be composed of the property formerly designated as Phase I, Phase IIabc, Phase IID,

Phase IIe, Phase II f, Phase II g, Phase IIIa, Phase IIIb, Phase IIIc and the within property designated as Phase IVa. Effective upon the filing of this Amendment, the property included in the Treetops Horizontal Property Regime shall be as described in Exhibit "B" hereto which description includes the Phase I, Phase IIabc, Phase II d, Phase IIe, Phase II f, Phase IVa, Phase IIIa, Phase IIIb, Phase IIIc and Phase IVa properties.

4. LAND: Sponsor is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat being designated as Exhibit "C" and being attached hereto and made a part hereof and being recorded in the RMC Office for Beaufort County, South Carolina, in Plat Book 36 at Page 50.

5. PHASE IVa PROPERTY; REGIME: Sponsor does hereby, by duly executing this Amendment to the Master Deed of the Treetops Horizontal Property Regime, submit the land referred to in Paragraph four, together with the buildings and improvements erected thereon, and all easements, rights and appurtenances belonging thereto (hereinafter referred to as the "Property") to the provisions of the Master Deed for the Treetops Horizontal Property Regime and the provisions of the Horizontal Property Act of the State of South Carolina, and does hereby state that it proposes to make the property a part of the Treetops Horizontal Property Regime to be governed by the provisions of the aforementioned Master Deed and the provisions of Horizontal Property Act of South Carolina.

6. IMPROVEMENTS: The improvements constructed on and forming a part of the Property are constructed in accordance with the plot plan and floor plans identified as Exhibit "C" attached to the Sixth and Seventh Amendments to Master Deed and recorded in Plat Book 35 at Page 27 and Plat Book 35 at Page 82, which floor plans are incorporated herein by reference and made a part hereof. Exhibit "C" plans were prepared and certified by Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. These plans are a variation from the plans filed with the Second, Third and Fourth Amendments. Exhibit "C" herein consists of an "as built" survey of the Property prepared by Surveying Consultants of Hilton Head, Inc., Terry G. Hatchell, R.L.S. (S.C.) #11059. Also attached to this Amendment as Exhibit "D" is a certificate that the buildings constructed on the Property, and specifically the buildings added to the Regime by this Amendment, were constructed substantially in accordance with said plans.
