NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that COLLEGE INVESTMENTS OF S.C., INC., with its principal offices on Hilton Head Island, South Carolina, hereinafter referred to as "Sponsor", does hereby declare:

1. RECITALS: The hereinabove recitals are hereby incorporated by reference in this Amendment.

2. GENERAL NARRATIVE:

(a) Reference is made to the general narrative description contained in Section 2 of the Second Amendment to Master Deed dated December 27, 1985, and recorded January 6, 1986, in Deed Book 438 at Page 1616, which Second Amendment is incorporated by reference herein, and the general narrative in Section 2 of the Fifth Amendment to Master Deed dated October 20, 1987 and recorded October 23, 1987 in Deed Book 488 at Page 915. Since the filing of the Second Amendment, additional planning and permitting has taken place by the Sponsor herein, and its predecessors, with respect to site design, land planning and building design for future phases of the Treetops Horizontal Regime. This Sixth Amendment has for its purpose to add the first phase of the Phase III property (also known as "Ocean Breeze") as described in the Ninth Article of the Master Deed. The first added phase, Phase IIIa, includes the six (6) Apartments constructed in one (1) Building of a modified construction type as the previous Phases. Two new construction types have been added to Phase IIIa (Type E-"Live Oak" and Type F-"Dogwood"). Sponsor expressly ratifies the reservation rights for modification to the floor plans, site layout and design for future phases and sub-phases, in Phase II, Phase III, Phase IV and Phase V. Sponsor expressly reserves the right to develop, at its option, Phase IIg, shown as "Future Phase IIg, 0.355 AC." on the as built survey attached hereto as Exhibit D. It is likely that the total number of Apartments to be constructed in these future phases will be different than the number referenced in the aforementioned Second Amendment, but in no event will the total number be larger. The phasing schedule which was referenced in the Second Amendment as a proposed construction phasing schedule, will likewise be modified based upon current plans of the Sponsor herein. The intent, however, is that there will still be a sub-phasing schedule for the remaining Apartments to be developed in Phases III and IV. More specific detail as to sub-phases within those Phases III and IV will be provided in subsequent Amendments.

(b) Notwithstanding the above, it may be possible to combine certain sub-stages of an overall phase. In other words, the timing of construction of the respective sub-stages might be close enough that where two or more sub-stages would be combined into a single amendment. As this current sub-phase only involves

one (1) building and six (6) Apartments, it will be designated herein as "Phase IIIa". For purposes of the Horizontal Property Act and future descriptions of Apartments within Treetops Horizontal Property Regime, the designation of the sub-phase will not be utilized. Therefore, a typical Apartment would be known, by way of legal description, as "Apartment No. — Ocean Breeze, Treetops Horizontal Property Regime, Phase III". These Apartments will be numbered numerically and there will be no duplication of Apartment Numbers within all of the phases.

(c) In addition to the modification of the site layout and total number of Apartments as described in the Second Amendment and the Fifth Amendment referenced above, Sponsor has modified the floor plans for this Phase IIIa. Magnolia (Type C) has been revised and two new floor plans, Live Oak (Type E) and Dogwood (Type F) have been added. The architect for the Phase IIIa and subsequent phase Apartments is Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. The full set of floor plans and walk through descriptions of the Apartments for Phase IIIa are attached hereto as Exhibit "C" and "G", respectively, and incorporated herein by reference. Further modifications will be noted in future Amendments.

3. CREATION PHASE IIIa. Sponsor does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the recorded Master Deed of the Treetops Horizontal Property Regime, to amend said Master Deed to include the Phase IIIa property more particularly described and set forth in Exhibit "A" hereto, as a part of the Treetops Horizontal Property Regime in such a way that the said Treetops Horizontal Property Regime shall be composed of the property formerly designated as Phase I, Phase IIabc, Phase IIc, Phase IIe and Phase IIe and the within property designated as Phase IIIa. Effective upon the filing of this Amendment, the property included in the Treetops Horizontal Property Regime shall be as described in Exhibit "B" hereto which description includes the Phase I, Phase IIabc, Phase IIc, Phase IIe, Phase IIe and Phase IIIa properties.

LAND: Sponsor is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat being designated as Exhibit "D" and being attached hereto and made a part hereof and being recorded in the RMC Office for Beaufort County, South Carolina, in Plat Book 35 at Page 27.

6. IMPROVEMENTS: The improvements constructed on and forming a part of the Property are constructed in accordance with the plot plan and floor plans identified as Exhibit "C" herein. Exhibit "C" plans are prepared and certified by Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. These plans are a variation from the plans filed with the Second, Third and Fourth Amendments.
