WHEREAS, the said Treetops II Partnership filed a Second Amendment to Master Deed which had the effect of adding Phase IIabc, which Second Amendment was filed of record in the RMC Office for Beaufort County, South Carolina, on January 9, 1986, in Deed Book 438 at Page 1616; and,

WHEREAS, the aforementioned Treetops II Partnership, a South Carolina Joint Venture was dissolved by virtue of one of its Partners, COLLEGE INVESTMENTS OF S.C., INC., acquiring the Partnership interest of the other Partner, THE DELTA GROUP, said dissolution and merger reflected by virtue of that certain document recorded in the Register of Mesne Conveyances for Beaufort County, South Carolina in Partnership Book 11 at Page 1589; and,

WHEREAS, COLLEGE INVESTMENTS OF S.C., INC. is the successor and assign of Treetops II Partnership which in turn was the successor and assign of the Treetops Limited Partnership, the original Sponsor under the aforementioned Master Deed and the said COLLEGE INVESTMENTS OF S.C., INC., is the Sponsor herein.

WHEREAS, the within Sponsor filed a Third Amendment to Master Deed dated effective March 18, 1987, which Third Amendment was filed of record in the RMC Office for Beaufort County, South Carolina, on March 26, 1987, in Deed Book 473 at Page 1160, as amended by Technical Correction to Third Amendment filed on April 6, 1987, in Deed Book 474 at Page 131, which Third Amendment had the effect of adding Phase IIId; and,

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that COLLEGE INVESTMENTS OF S.C., INC., with its principal offices on Hilton Head Island, South Carolina, hereinafter referred to as "Sponsor", does hereby declare:

1. RECITALS: The hereinabove recitals are hereby incorporated by reference in this Amendment.

2. GENERAL NARRATIVE:

(a) Reference is made to the general narrative description contained in Section 2 of the Second Amendment to Master Deed dated December 27, 1985, and recorded January 6, 1986, in Deed Book 438 at Page 1616, which Second Amendment is incorporated by reference herein. Since the filing of the Second Amendment, additional planning and permitting has taken place by the Sponsor herein, and its predecessors, with respect to site design, land planning and building design for future phases of the Treetops Horizontal Property Regime. This Third Amendment has for its purpose to add the six (6) Apartments constructed in one (1) Building of a modified construction type as the previous Phases. Sponsor expressly ratifies the reservation rights for modification to the floor plans, site layout and design for future phases and sub-phases, both in Phase II, Phase III and Phase IV. It is likely that the total number of Apartments to be

BETHEA, JORDAN
& GRIFFIN, P. A.

constructed in these future phases will be different than the number referenced in the aforementioned Second Amendment, but in no event will the total number be larger. The phasing schedule which was referenced in the Second Amendment as a proposed construction phasing schedule, will likewise be modified based upon current plans of the Sponsor herein. The intent, however, is that there will still be a sub-phasing schedule for the remaining Apartments to be developed in Phases II, III and IV. More specific detail as to sub-phases within those Phases II, III and IV will be provided in subsequent Amendments.

(b) Notwithstanding the above, it may be possible to combine certain sub-stages of an overall phase. In other words, the timing of construction of the respective sub-stages might be close enough that where two or more sub-stages would be combined into a single amendment. Such was the situation in the previous Amendment where sub-phases IIa, IIb and IIc were combined and designated "Phase IIabc". As this current sub-phase only involves one (1) building and six (6) Apartments, it will be designated herein as "Phase IIe". For purposes of the Horizontal Property Act and future descriptions of Apartments within Treetops Horizontal Property Regime, the designation of the sub-phase will not be utilized. Therefore, a typical Apartment would be known, by way of legal description, as "Apartment ____, Phase II, Treetops Horizontal Property Regime". These Apartments will be numbered numerically and there will be no duplication of Apartment Numbers within all of the phases.

(c) In addition to the modification of the site layout and total number of Apartments as described in the Second Amendment referenced above, Sponsor has modified the floor plans for this Phase IIe. The architect for the Phase IIe and subsequent phase Apartments is Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. Accordingly, a full set of floor plans and walk through descriptions of the Apartments for Phase IIe is attached to this Fourth Amendment to Master Deed. Further modifications will be noted in future Amendments.

3. CREATION PHASE IIe. Sponsor does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the recorded Master Deed of the Treetops Horizontal Property Regime, to amend said Master Deed to include the Phase IIe property more particularly described and set forth in Exhibit "A" hereto, as a part of the Treetops Horizontal Property Regime in such a way that the said Treetops Horizontal Property Regime shall be composed of the property formerly designated as Phase I, the property designated as Phase IIabc, and Phase IIc and the within property designated as Phase IIe. Effective upon the filing of this Amendment, the property included in the Treetops Horizontal Property Regime shall be as described in Exhibit "B" hereto which description includes the Phase I, Phase IIabc, Phase IIc and Phase IIe properties.

4. LAND: Sponsor is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat being designated as Exhibit "C" and being attached hereto and made a part hereof and being recorded in the RMC Office for Beaufort County, South Carolina, in Plat Book 34 at Page 197.

5. PHASE IIe PROPERTY; REGIME: Sponsor does hereby, by duly executing this Amendment to the Master Deed of the Treetops Horizontal Property Regime, submit the land referred to in Paragraph 4, together with the building and improvements erected thereon, and all easements, rights and appurtenances belonging thereto (hereinafter referred to as the "Property") to the provisions of the Master Deed for the Treetops Horizontal Property Regime and the provisions of the Horizontal Property Act of the State of South Carolina, and does hereby state that it proposes to make the property a part of the Treetops Horizontal Property Regime to be governed by the provisions of the aforementioned Master Deed and the provisions of Horizontal Property Act of South Carolina.

6. IMPROVEMENTS: The improvements constructed on and forming a part of the Property are constructed in accordance with the plot plan and floor plans identified as Exhibit "C" and Exhibit "D" attached hereto and made a part hereof. Exhibit "C" consists of an "as built" survey of the Property prepared by Sea Island Engineering, Inc., Richard W. Hamilton, R.L.S. (S.C.) #9759. Exhibit "D" plans are prepared and certified by Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. These Exhibit "D" plans are a variation from the plans filed with the Second and Third Amendments. Also attached to this Amendment as Exhibit "E" is a certificate that the buildings constructed on the Property, and specifically the buildings added to the Regime by this Amendment, were constructed substantially in accordance with said plans.

7. APARTMENTS/BOUNDARIES:

(a) General Description. The property within Phase IIe which is being added to and combined with the Phase I, Phase IIabc and Phase IID property of Treetops Horizontal Property Regime includes one (1) building containing a total of six (6) individual dwelling units (hereinafter referred to as "Apartments") all of which are to be used for residential purposes. The Apartments are capable of individual utilization on account of having their own exits to the common elements of the Property, and a particular and exclusive property right thereto, and also an undivided interest in the general and limited common elements of the property, as set forth in the recorded Master Deed and as hereinafter set forth, necessary for their adequate use and enjoyment (hereinafter referred to as "Common Elements"), all of the above in accordance with the Horizontal Property Act of South Carolina.

direct access from the interior thereof as shown on the floor plans and plot plans referenced above.

(c) Combined Common Elements. That the Common Elements of the property, both General and Limited, and including Phase I, Phase IIabc, Phase IID and Phase IIe property, shall be as set forth in the Master Deed establishing the Treetops Horizontal Property Regime, and as set forth hereinabove in Paragraphs 11(a) and 11(b).

Said percentages are likewise set forth in Exhibit "G" to this Amendment which is attached hereto and made a part hereof. The proportionate representation for voting purposes and the percentage of the undivided interests in the common elements (both General and Limited) provided in this paragraph and in Exhibit "G" hereto shall not be altered without the acquiescence of the co-owners representing all of the Apartments expressed in a duly recorded Amendment to this Master Deed for such Regime or by an Amendment filed by the Sponsor in accordance with the reservations set forth in the Master Deed.

13. NON-APPLICABILITY OF SECTION 27-31-410: It is noted that the original recorded Master Deed made reference to Section 27-31-410, et seq., of the Code of Laws of South Carolina 1976, as amended, and that reference was made to certain engineer's report and other exhibits attached to the Master Deed in compliance with those statutory sections which concern conversion requirements. It is noted by Sponsor that as Phase IIe (and all subsequent phases) will be new construction, this statutory section is inapplicable for Phase IIe and subsequent phases.

14. REAFFIRMATION OF MASTER DEED PROVISIONS: As the sole purpose of this Amendment is to add the Phase IIe property to the Treetops Horizontal Property Regime so as to make it an integral part of said Regime, and to describe the process by which

additional phases are to be added to the Regime pursuant to Sponsor's development plan, all provisions of the Master Deed establishing the Treetops Horizontal Property Regime as recorded in the RMC Office for Beaufort County, South Carolina, which are not modified herein are expressly incorporated into and reaffirmed by this Amendment in the same manner as if the same were expressly set forth herein. This Amendment is intended to comply with the provisions of the aforementioned Master Deed and the Horizontal Property Act of South Carolina. In case any of the provisions stated above conflict with the provisions of said statute, the provisions of said statute shall control. The provisions hereof shall be deemed independent and severable, and the invalidity in whole or in part of any section, sub-section, sentence, clause, phrase or word, or other provision of this Amendment shall not affect the validity or enforceability of the remaining portions thereof and in such event, all of the other provisions of the Amendment shall continue in full force and effect as if such invalid provision had never been included therein.

IN WITNESS WHEREOF, COLLEGE INVESTMENTS OF S.C., INC., a South Carolina Corporation, has caused these presents to be executed this 10th day of July, in the year of Our Lord one thousand nine hundred eighty-seven and in the two hundred and twelve year of the Sovereignty and Independence of the United States of America.
