WHEREAS, the within Sponsor, by the filing of this Seventh Amendment to Master Deed is desirous of adding and does hereby add Phase IIIb to the Treetops Horizontal Property Regime, under the terms and conditions set forth herein.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that COLLEGE INVESTMENTS OF S.C., INC., with its principal offices on Hilton Head Island, South Carolina, hereinafter referred to as "Sponsor", does hereby declare:

1. RECITALS: The hereinabove recitals are hereby incorporated by reference in this Amendment.

2. GENERAL NARRATIVE:

(a) Reference is made to the general narrative description contained in Section 2 of the Second Amendment to Master Deed dated December 27, 1985, and recorded January 6, 1986, in Deed Book 438 at Page 1616, which Second Amendment is incorporated by reference herein. Since the filing of the Second Amendment, additional planning and permitting has taken place by the Sponsor herein, and its predecessors, with respect to site design, land planning and building design for future phases of the Treetops Horizontal Regime. This Seventh Amendment has for its purpose to add the second phase of the Phase III property (also known as "Ocean Breeze") as described in the Ninth Article of the Master Deed. This second added phase, Phase IIIb, includes the five (5) Apartments constructed in one (1) Building of a modified construction type as the previous Phases. One revised construction type has been added to Phase IIIb ("Palmetto, Revised, Type A"). Sponsor expressly ratifies the reservation rights for modification to the floor plans, site layout and design for future phases and sub-phases, in Phase II, Phase III, Phase IV and Phase V. Sponsor expressly reserves the right to develop, at its option, Phase IIg, shown as "Future Phase IIg, 0.355 AC." on the as built survey attached hereto as Exhibit D. It is likely that the total number of Apartments to be constructed in these future phases will be different than the number referenced in the aforementioned Second Amendment, but in no event will the total number be larger. The phasing schedule which was referenced in the Second Amendment as a proposed construction phasing schedule, will likewise be modified based upon current plans of the Sponsor herein. The intent, however, is that there will still be a sub-phasing schedule for the remaining Apartments to be developed in Phases III and IV. More specific detail as to sub-phases within those Phases III and IV will be provided in subsequent Amendments.

(b) Notwithstanding the above, it may be possible to combine certain sub-stages of an overall phase. In other words, the timing of construction of the respective sub-stages might be

BETHEA, JORDAN
& GRIFFIN, P. A.

COUNSELLORS AT LAW

close enough that where two or more sub-stages would be combined into a single amendment. As this current sub-phase only involves one (1) building and five (5) Apartments, it will be designated herein as "Phase IIIb". For purposes of the Horizontal Property Act and future descriptions of Apartments within Treetops Horizontal Property Regime, the designation of the sub-phase will not be utilized. Therefore, a typical Apartment would be known, by way of legal description, as "Apartment No. ___ Ocean Breeze, Treetops Horizontal Property Regime, Phase III". These Apartments will be numbered numerically and there will be no duplication of Apartment Numbers within all of the phases.

(c) In addition to the modification of the site layout and total number of Apartments as described in the Second Amendment, and the Sixth Amendment referenced above, Sponsor has slightly modified the floor plans for this Phase IIIb. The floor plans are similar to those filed with Phase IIIa, i.e. the floor plans, except for Palmetto, Revised (Type A), which has been revised. The architect for the Phase IIIb and subsequent phase Apartments is Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. The full set of floor plans and walk through descriptions of the Apartments for Phase IIIb are attached hereto as Exhibits "C" and "G", respectively, and incorporated herein by reference. Further modifications will be noted in future Amendments.

3. CREATION PHASE IIIb. Sponsor does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the recorded Master Deed of the Treetops Horizontal Property Regime, to amend said Master Deed to include the Phase IIIb property more particularly described and set forth in Exhibit "A" hereto, as a part of the Treetops Horizontal Property Regime in such a way that the said Treetops Horizontal Property Regime shall be composed of the property formerly designated as Phase I, Phase IIabc, Phase IIc, Phase IIe, Phase IIe, Phase IIe and Phase IIIa and the within property designated as Phase IIIb. Effective upon the filing of this Amendment, the property included in the Treetops Horizontal Property Regime shall be as described in Exhibit "B" hereto which description includes the Phase I, Phase IIabc, Phase IIc, Phase IIe, Phase IIe, Phase IIIa and Phase IIIb properties.

4. LAND: Sponsor is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat being designated as Exhibit "D" and being attached hereto and made a part hereof and being recorded in the RMC Office for Beaufort County, South Carolina, in Plat Book 55 at Page 82.

5. PHASE IIIb PROPERTY; REGIME: Sponsor does hereby, by duly executing this Amendment to the Master Deed of the Treetops Horizontal Property Regime, submit the land referred to

which each Apartment has direct access from the interior thereof as shown on the floor plans and plot plans referenced above.

(b) Combined Common Elements. That the Common Elements of the property, both General and Limited, and including Phase I, Phase IIabc, Phase IID, Phase IIe, Phase IIIf, Phase IIIa and Phase IIIb property, shall be as set forth in the Master Deed establishing the Treetops Horizontal Property Regime, and as set forth hereinabove in Paragraphs 11(a) and 11(b).

(c) Parking Facilities. The parking facilities within the General Common Elements shall consist of approximately 57,462 square feet in the Phase I property, 11,510 square feet in the Phase IIabc property, 6,594 square feet in the Phase IID property, 27,125 square feet in the Phase IIe property, 200 square feet in the Phase IIIf property, 10,650 square feet in the Phase IIIa property and 4,138 square feet in the Phase IIIb property with a total of 117,679 square feet of parking in the Regime subsequent to the execution and recording of this Amendment.

12. PERCENTAGE OF INTEREST IN APARTMENTS: The percentage of title and interest appurtenant to each Apartment and the Apartment Owner's title and interest in the common elements (both General and Limited) of the Property (Phase I, Phase IIabc, Phase IID, Phase IIe, Phase IIIf, Phase IIIa and Phase IIIb) of the Treetops Horizontal Property Regime and their share in the profits and common monthly expenses as well as proportionate representation for voting purposes in the meeting of the Treetops Owners' Association (hereinafter usually referred to as "Association") of the Regime is based upon the proportionate value of each Apartment to the value of the total Property (all Phases) as set forth in Exhibit "I" to the Master Deed establishing said Regime. Said percentages are likewise set forth in Exhibit "F" to this Amendment which is attached hereto and made a part hereof. The proportionate representation for voting purposes and the percentage of the undivided interests in the common elements (both General and Limited) provided in this paragraph and in Exhibit "F" hereto shall not be altered without the acquiescence of the co-owners representing all of the Apartments expressed in a duly recorded Amendment to this Master Deed for such Regime or by an Amendment filed by the Sponsor in accordance with the reservations set forth in the Master Deed.

13. REAFFIRMATION OF MASTER DEED PROVISIONS: As the sole purpose of this Amendment is to add the Phase IIIb property to the Treetops Horizontal Property Regime so as to make it an integral part of said Regime, and to describe the process by which additional phases are to be added to the Regime pursuant to Sponsor's development plan, all provisions of the Master Deed establishing the Treetops Horizontal Property Regime as recorded in the RMC Office for Beaufort County, South Carolina, which are

not modified herein are expressly incorporated into and reaffirmed by this Amendment in the same manner as if the same were expressly set forth herein. This Amendment is intended to comply with the provisions of the aforementioned Master Deed and the Horizontal Property Act of South Carolina. In case any of the provisions stated above conflict with the provisions of said statute, the provisions of said statute shall control. The provisions hereof shall be deemed independent and severable, and the invalidity in whole or in part of any section, sub-section, sentence, clause, phrase or word, or other provision of this Amendment shall not affect the validity or enforceability of the remaining portions thereof and in such event, all of the other provisions of the Amendment shall continue in full force and effect as if such invalid provision had never been included therein.
