

Installing and connecting to and opening the Pinecrest Amenity Center locks via your phone/tablet using Bluetooth.

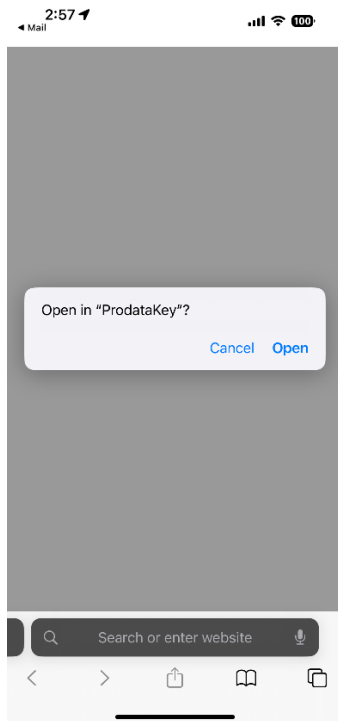

1) Download the PDK app from the App Store: Search for 'PDK'

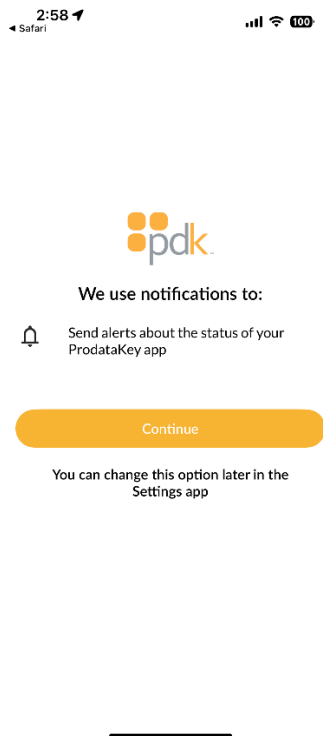

2) STOP at this point until you receive the PDK activation email as below!

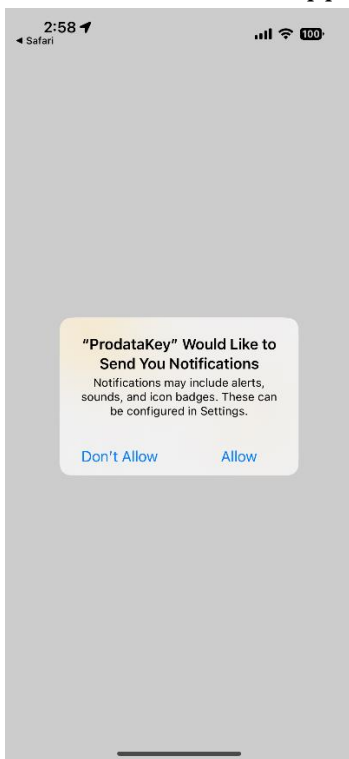

- 3) Once you have this email open it and click to OPEN the activation link in the PDK application: (OPEN)

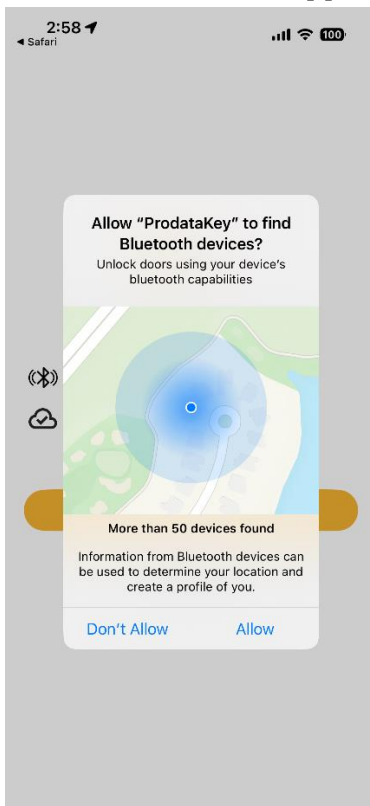

- 4) Confirm to receive alerts from the PDK lock system: (CONTINUE)

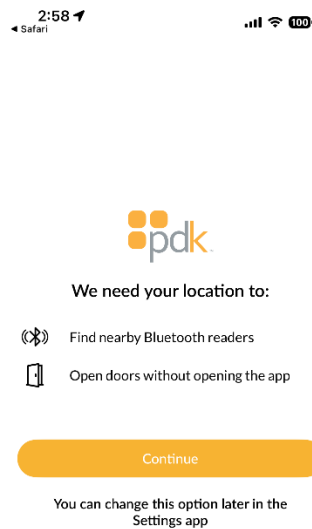

5) Confirm to allow the app to unlock the devices: (ALLOW)

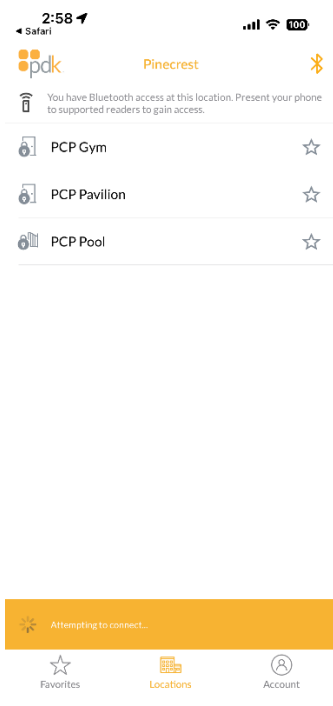

6) Confirm to allow the app to unlock devices via Bluetooth: (ALLOW)

7) Allow your device to connect to Bluetooth locks automatically: (CONTINUE)

8) You should now see this unlock screen: Your device is set up!

9) In the future to open any of the three locks (Fitness Center [GYM], Pool, or Pavilion Gates) simply open the PDK app and press and hold the lock you would like to open.
