WHEREAS, the within Sponsor, by the filing of this Ninth Amendment to Master Deed is desirous of adding and does hereby add Phase IIg to the Treetops Horizontal Property Regime, under the terms and conditions set forth herein.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that COLLEGE INVESTMENTS OF S.C., INC., with its principal offices on Hilton Head Island, South Carolina, hereinafter referred to as "Sponsor", does hereby declare:

1. RECITALS: The hereinabove recitals are hereby incorporated by reference in this Amendment.

2. GENERAL NARRATIVE:

(a) Reference is made to the general narrative description contained in Section 2 of the Second Amendment to Master Deed dated December 27, 1985, and recorded January 6, 1986, in Deed Book 438 at Page 1616, which Second Amendment is incorporated by reference herein. Since the filing of the Second Amendment, additional planning and permitting has taken place by the Sponsor herein, and its predecessors, with respect to site design, land planning and building design for future phases of the Treetops Horizontal Regime. This Ninth Amendment has for its purpose to add the last phase of the Phase II property known as the Phase IIg property as described in the Ninth Article of the Master Deed. This phase includes six (6) Apartments constructed in one (1) Building of a modified construction type as the previous Phases. All six (6) Apartments are Live Oak, Type E. The Sponsor has expressly reserved the right to develop the Phase IIg property, at its option, in previous amendments to the Master Deed. Sponsor expressly ratifies the reservation rights for modification to the floor plans, site layout and design for future phases and sub-phases, in Phase III, Phase IV and Phase V. It is likely that the total number of Apartments to be constructed in these future phases will be different than the

number referenced in the aforementioned Second Amendment, but in no event will the total number be larger. The phasing schedule which was referenced in the Second Amendment as a proposed construction phasing schedule, will likewise be modified based upon current plans of the Sponsor herein. The intent, however, is that there will still be a sub-phasing schedule for the remaining Apartments to be developed in Phases III and IV. More specific detail as to sub-phases within those Phases III and IV will be provided in subsequent Amendments.

(b) Notwithstanding the above, it may be possible to combine certain sub-stages of an overall phase. In other words, the timing of construction of the respective sub-stages might be close enough that where two or more sub-stages would be combined into a single amendment. Such was the situation in the Fourth Amendment where sub-phases IIa, IIb and IIc were combined and designated "Phase IIabc." As this current sub-phase only involves one (1) building and six (6) Apartments, it is designated herein as "Phase IIg." For purposes of the Horizontal Property Act and future descriptions of Apartments within Treetops Horizontal Property Regime, the designation of the sub-phase will not be utilized. Therefore, a typical Apartment would be known, by way of legal description, as "Apartment No. __, Treetops Horizontal Property Regime, Phase II". These Apartments will be numbered numerically and there will be no duplication of Apartment Numbers within all of the phases.

(c) In addition to the modification of the site layout and total number of Apartments as described in the Second, Third, Fourth, Sixth and Seventh Amendments referenced above, Sponsor has modified the floor plans for this Phase IIg. The floor plans are identical to those filed with Phase IIIb, i.e., the Seventh Amendment. The architect for the Phase IIg and subsequent phase Apartments is Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No.2740. The full set of floor plans and walk through descriptions of the apartments for Live Oak, Type E attached to the Seventh Amendment to Master Deed are incorporated herein by reference. Further modifications will be noted in future Amendments.

3. CREATION PHASE IIg. Sponsor does hereby elect to exercise and does hereby exercise the options and rights hereinabove referred to and more particularly set forth in the recorded Master Deed of the Treetops Horizontal Property Regime, to amend said Master Deed to include the Phase IIg property more particularly described and set forth in Exhibit "A" hereto, as a part of the Treetops Horizontal Property Regime in such a way that the said Treetops Horizontal Property Regime shall be composed of

the property formerly designated as Phase I, Phase IIabc, Phase IIId, Phase IIe, Phase IIIf, Phase IIIa, Phase IIIb, Phase IIIc and the within property designated as Phase IIg. Effective upon the filing of this Amendment, the property included in the Treetops Horizontal Property Regime shall be as described in Exhibit "B" hereto which description includes the Phase I, Phase IIabc, Phase IIId, Phase IIe, Phase IIIf, Phase IIg, Phase IIIa, Phase IIIb and Phase IIIc properties.

4. **LAND:** Sponsor is the sole owner of the land described in Exhibit "A" herein, which land is shown on a plat thereof, said plat being designated as Exhibit "C" and being attached hereto and made a part hereof and being recorded in the RMC Office for Beaufort County, South Carolina, in Plat Book 35 at Page 278.

5. **PHASE IIg PROPERTY; REGIME:** Sponsor does hereby, by duly executing this Amendment to the Master Deed of the Treetops Horizontal Property Regime, submit the land referred to in Paragraph four, together with the building and improvements erected thereon, and all easements, rights and appurtenances belonging thereto (hereinafter referred to as the "Property") to the provisions of the Master Deed for the Treetops Horizontal Property Regime and the provisions of the Horizontal Property Act of the State of South Carolina, and does hereby state that it proposes to make the property a part of the Treetops Horizontal Property Regime to be governed by the provisions of the aforementioned Master Deed and the provisions of Horizontal Property Act of South Carolina.

6. **IMPROVEMENTS:** The improvements constructed on and forming a part of the Property are constructed in accordance with the plot plan and floor plans identified as Exhibit "C" attached to the Seventh Amendment to Master Deed and recorded in Plat Book 35 at Page 82 which floor plans are incorporated herein by reference and made a part hereof. Exhibit "C" plans were prepared and certified by Dolphin Corporation, Architectural Design Group, G. Wayne Windham, Architect, S.C. Reg. No. 2740. These plans are a variation from the plans filed with the Second, Third and Fourth Amendments. Exhibit "C" herein consists of an "as built" survey of the Property prepared by Sea Island Engineering, Inc., Richard W. Hamilton, R.L.S. (S.C.) #9759. Also attached to this Amendment as Exhibit "D" is a certificate that the buildings constructed on the Property, and specifically the buildings added to the Regime by this Amendment, were constructed substantially in accordance with said plans.

7. **APARTMENTS/BOUNDARIES:**

(a) **General Description.** The property within Phase IIg which is being added to and combined with the Phase I, Phase IIabc, Phase IIId, Phase IIe, Phase IIIf, Phase IIIa, Phase IIIb and Phase IIIc property of Treetops Horizontal Property Regime

The apartments are capable of individual utilization on account of having their own exits to the common elements of the Property, and a particular and exclusive property right thereto, and also an undivided interest in the general and limited common elements of the property, as set forth in the recorded Master Deed and as hereinafter set forth, necessary for their adequate use and enjoyment (hereinafter referred to as "Common Elements"), all of the above in accordance with the Horizontal Property Act of South Carolina.

Said percentages are likewise set forth in Exhibit "E" to this Amendment which is attached hereto and made a part hereof. The proportionate representation for voting purposes and the percentage of the undivided interests in the common elements (both General and Limited) provided in this paragraph and in Exhibit "E" hereto shall not be altered without the acquiescence of the co-owners representing all of the Apartments expressed in a duly recorded Amendment to this Master Deed for such Regime or by an Amendment filed by the Sponsor in accordance with the reservations set forth in the Master Deed.

13. REAFFIRMATION OF MASTER DEED PROVISIONS: The purpose of this Amendment is to add the Phase IIg property to the Treetops Horizontal Property Regime so as to make it an integral part of said Regime, to describe the process by which additional phases are to be added to the Regime pursuant to Sponsor's development plan, and to file a technical correction with respect to Paragraph 10 of the recitals entitled "Apartment Types" in the Eighth Amendment to Master Deed of Treetops Horizontal Property Regime for Phase IIIc dated April 27, 1988, recorded in the Office of the Register of Mesne Conveyances for Beaufort County, South Carolina, on April 28, 1988, in Deed Book 500 at Page 820 and Plat Book 35 and Page 162. The technical correction relates to the fact that Building 6, Apartment 29 Ocean Breeze is an Apartment Type Magnolia, Revised C, and Building 6, Apartment 33 Ocean Breeze is an Apartment Type Dogwood, F. The Eighth Amendment, Paragraph 10, inadvertently contained a misstatement regarding the Apartment Type. No modification to the Schedule of Percentage Interest is necessary however. All provisions of the Master Deed establishing the Treetops Horizontal Property Regime as recorded in the RMC Office for Beaufort County, South Carolina, as modified by previous

1531

Amendments to Master Deed, which are not modified herein are expressly incorporated into and reaffirmed by this Amendment in the same manner as if the same were expressly set forth herein. This Amendment is intended to comply with the provisions of the aforementioned Master Deed and the Horizontal Property Act of South Carolina. In case any of the provisions stated above conflict with the provisions of said statute, the provisions of said statute shall control. The provisions hereof shall be deemed independent and severable, and the invalidity in whole or in part of any section, sub-section, sentence, clause, phrase or word, or other provision of this Amendment shall not affect the validity or enforceability of the remaining portions thereof and in such event, all of the other provisions of the Amendment shall continue in full force and effect as if such invalid provision had never been included therein.
