### ELEVATOR USE FOR MOVING, CONSTRUCTION MATERIAL AND APPLIANCES

With the elevator modernization complete, effective immediately, there is a new protocol for moving furniture, transporting construction material and appliances. You are now required to inform your Association Manager, Quade Jackman of the date and time of move in/out, transport of construction material or appliance delivery so the moving blanket can be hung inside the elevator.

**Please make sure your rental agent and/you or tenants are aware.**

*Feel free to reach out to your Association Manager, Quade Jackman, with any questions you may have.*

*Quade can be reached at:*
